

That's all !!! (Lyrics by Guido Block)

**Now my mind is running dry
believe me it is so
Everyday from nine to five
Well I can't take no more**

**I just want to live my life
as easy as I can
I just need my time and space
and I'm a happy man**

**I don't wanna be
nobodys underling that's all
I don't wanna spend my time
just working like a fog**

**All I wanna do
is get along with happiness
I don't wanna stress myself
or make my life a mess**

**I just have to do it now
don't wanna wait
I don't wanna waste my time
and wake up when it's late**

**Money is important man
Yeah I have got no doubt
But there are more important things
I've got to think about**

**I just want to live my life
in peace with love and joy
Things you really can't deny
to a forty-year-old boy !!!**
