

**The train** (Lyrics by Guido Block)

**Time runs**

**It flies faster than a plane  
Now it's going to be scarce  
I learned the rules of the game  
Well I'm gonna leave the building  
Gonna leave it anyway  
But til I don't know the departure  
I'm gonna live it day by day**

**There will be a sound of music  
When I take the train  
And the cry of your guitar  
Will take my blues away**

**You are my hero  
You're the one I've always loved  
There's no other man like you  
Noone ever played so hard  
You have opened up my mind  
with your soul and energy  
since I've heard your guitar cry  
I have set my spirit free**

**Well I want to hear your music  
When I'll take the train  
'Cause it's the cry of your guitar  
that takes my blues away**

**Time flies**

**It runs faster everyday  
There is nothing you can do  
There is nothing else to say  
Sure that I will leave the building  
Gonna leave it anyway  
But i haven't got a ticket yet  
And I'll wait to buy it man**

**There will be a sound of music  
when I'll take the train  
and the cry of my guitar  
will take your blues away**
